AMP NEWS – AUGUST 2025

AMP organised a historic 3-Day National Consultative Meeting with Parliamentarians!

Association of Muslim Professionals (AMP) organised a 3-Day National Consultative Meeting with Members of Parliament (MPs) from 5th – 7th August, 2025 for its 25-Year Roadmap for the Educational and Economic Development of Indian Muslims in collaboration with India Islamic Cultural Centre (IICC), New Delhi.

Despite comprising over 14% of India's population, the Muslim community continues to face systemic educational and economic marginalization. Government data (AISHE 2020-21) reflects a decline in Muslim student representation in higher education, now at only 4.6%. The community struggles with limited access to quality schools, inadequate skills training, low financial inclusion, and rising sociopolitical challenges such as closure of madarsas, hijab bans, and reduced scholarships.

This **historic initiative** crafted by AMP in collaboration with educationists, economists, policy experts, social leaders, and civil society stakeholders, seeks to uplift 100 of the most backward and Muslim-concentrated districts in India by addressing key developmental challenges in education, livelihoods, skills, access to resources, and local governance.

Each **Member of Parliament (MP)** who attended during the 3-day programme, identified the problem statements made in the Roadmap document and expressed their unconditional support for AMP's initiative, and were willing to work in the Parliament and their constituencies for implementing the suggestions. Notable among these were;

The **Chief Guest** at the inaugural session of the first day of the 3 days conclave was **Janab Salman Khurshid Sahab**, Former Union Minister & President, India Islamic Cultural Centre (IICC). He said "It gives me immense happiness to know that AMP and its president, Aamir Edresy is doing yeoman work for the Community. Their team of Professionals have set new standards for others in the Community to follow. I appreciate their 25 year Roadmap for the Community initiative and wish them well."

Janab Asaduddin Owaisi Sahab, MP from Hyderabad & President - AIMIM, shared the Government's data and statistics including other facts & figures on issues affecting the Muslim Community. He went on to say that the condition of Muslims was worst than the SCs & STs, and they were very backward in most of the social indicators. Government's Policy intervention was urgently needed to improve the socio-economic condition of Muslims in the Country.

Ms. Iqra Hasan Choudhary Sahiba, Lok Sabha MP (Samajwadi) from Kairana UP said that she has attended many meetings where issues are discussed, but there are no follow-ups. It was the first time that she has seen an organisation like AMP that has proposed a written document on the steps that can lead to the betterment of the Community.

Dr. Fouzia Khan Sahiba, Rajya Sabha MP from Maharashtra, said that the mainstream social organisations should collaborate with the Madrasas and other Community institutions so that the educational challenges being faced by the Community is minimised. She also mentioned about Women Empowerment as a tool to enhance the community's social indicators within the Shariah regulations.

Janab Pappu Yadav Sahab – Lok Sabha MP (Independent) from Bihar, said, "I have many Muslims in my constituency and I look upon them as my brothers. I'm willing to take up their issue in the Parliament and look forward to working with AMP in identifying issues and implementing suggestions in my constituency in Madhepura".

Dr. Syed Naseer Hussain Sahab – Lok Sabha MP (INC), Karnataka, said that in the South-North partnership, that has been proposed in the AMP's 25-year Roadmap, we are willing to adopt backward districts from North or West and implement the recommendations that come up.

Lt. Gen. Zameer Uddin Shah Sahab (Rtd.), Former Deputy Chief of Army Staff & Former Vice Chancellor – AMU, mentioned that AMP's roadmap will not be complete until we have a Model Community School in every backward district of the Country.

Besides these, **Janab Sanjay Dina Patil Sahab**, MP from Mumbai, **Janab Zia-ur-Rahman Barq Sahab**, MP from Sambhal, UP, **Dr. Mohammad Javed Sahab**, MP (INC), Bihar, **Janab Raqibul Hussain Sahab**, Ex-Home Minister of Assam & MP (INC), Assam, **Janab Abdul Wahab P. V. Sahab**, MP (IUML), Kerala, and **Janab Shahid Siddiqui Sahab** – Ex-MP, Rajya Sabha & Former Chief Editor, Nai Duniya were the other MPs, who graced the event and shared their inputs.

Janab Wajahat Habibullah Sahab, Former Chief Information Commissioner of India & Former Chairman, National Commission for Minorities, **Janab Dr. S. Y. Qureshi Sahab**, retd. IAS officer & former Chief Election Commissioner and **Janab Khwaja Shahid Sahab**, Former VC, Maulana Azad Urdu University and other distinguished personalities who participated in the discussions and gave their own inputs for AMP's 25-Year Roadmap. They pledged all support in implementing the recommendations in their own constituencies as and when needed.

Janab Aamir Edresy Sahab, President – AMP, thanked all the MPs and distinguished personalities for their support to this landmark initiative, including IICC for partnering in this event. He said in the coming days AMP will be organising meetings with influential Muslims and industrialists all over the Country to implement the solutions reached in these discussions.

Many senior AMP Team members from across the Country including **Janab Muhammed Amin**, **Janab Sajjad Parvaiz**, **Janab Uves Saroshwala**, **Janab Reyaz Alam**, **Janab Dr. Abdul Ahad** and many others also attended the 3-day event.

Certificate of Appreciation

I, Javed Ahmad Tak, Founder of Humanity Welfare Organization HELpline and the Zaiba Aapa Institute of Inclusive Education located in the Bijbehara subdivision of District Anantnag in the Kashmir Valley, feel privileged to share my heartfelt feedback on the Career Guidance Program and Employability Training Programme organized by the Association of Muslims Professionals (AMP) – India Chapter.

Our organization is deeply thankful to AMP for conducting such fruitful and goal-oriented programs under the leadership of Mr. Ghabit Nabi and Mr. Younus Mohammad Beigh. Both trainers are highly visionary, knowledgeable, and true agents of change. Their insightful training sessions have made a significant impact—participants have adopted new and effective teaching methodologies, and there is a strong demand in our region for continued engagement, especially with Mr. Ghabit Nabi, who is now widely recognized among local youth as a change-maker.

AMP has been doing commendable work through both virtual and offline modes, transforming narratives, and shaping positive perceptions about the Muslim community. Their initiatives are instilling a sense of belonging, purpose, and ownership among Muslim youth, thereby aligning them with India's broader sustainable development goals.

We extend our sincere gratitude to AMP's founders, current stakeholders, and all coordinators for their tireless day-and-night efforts aimed at improving the quality of life for Muslim students and professionals across India. Your work is empowering the next generation to participate meaningfully in planning and policy-making processes.

On behalf of our entire team and the community we serve, I wish AMP continued success and all the very best in its future endeavors.

YOUR PARTICIPATION:

In the last few years, with the invaluable support from our existing Members, Donors and Well-wishers, we have been able to execute many AMP projects & activities. However, we still have many miles to go and in this transcendental journey we need 'YOU' to fuel this movement with the vitality of your ideas, talent, experience and skills. We therefore appeal to you to join hands with us and help us to build a strong and self-sufficient Community & Society.

Also, as a conscious and responsible citizen of the Community you must be well-aware that running such an ambitious Social Enterprise requires decent amount of funds to take care of the administrative and infra structural needs. You can thus further strengthen our endeavours by financially supporting us. You can make your contributions to the below mentioned Bank Account. All donations to AMP attract 80G income-tax benefit. Apart from monetary contributions you can also partner with us by providing necessary infrastructure and facilities required for conducting AMP programs and activities in your city.
