Mohd Rehan is a hardworking and determined student pursuing B.E. in Marine Engineering. Despite severe financial hardships, he continued his education with dedication after facing a break in studies due to lack of funds.

His father, who works in a small store with limited income, used all his savings to support Rehan's education, while his mother is undergoing heart treatment. They had to pay the pending tuition fee of ₹95,000, without any resource.

Alhamdulillah, with the generous support of IndiaZakat donors, valuable contributions have been received to support Rehan's education, helping him continue his journey toward achieving his dream of becoming a Marine Engineer and building a better future for himself and his parents.

Umme Hani, a mother of two young children, belongs to a financially struggling family facing severe hardship after her husband lost his job as a Muazzin due to management change in the Masjid. To support her family with dignity, Umme Hani wished to start a small stationery shop near her home using her previous work experience in a stationery store. This small business would help her become self-reliant and support her husband during the difficult phase.
