Job Drives

What is a Job Drive?

Job Drives are similar to Job Fairs but are organized on a much smaller scale compared to Job Fairs.

HIRED!

AMP Job Drives

AMP Job Drives are ongoing, small-scale initiatives towards providing livelihood.

Corporates in JDs

In a Job Drive, we typically invite only upto 2-3 corporates who have specific openings, and advertise their openings/profiles in order to attract suitable candidates.

AMP Job Drives – Initiative to eradicate Unemployment

Our frequent Job Drives are an initiative towards eradicating the evil of unemployment bit by bit. These are baby steps towards providing livelihood. Our Job Drives are open to people of all faiths, castes & backgrounds.

Frequency of Job Drives

We conduct Job Drives every week, not only in Mumbai but in many other cities throughout India. We have organized hundreds of Job Drives in different parts of India and aim to organize many more in an ongoing basis, in different cities and towns throughout India.

Special Job Drives

In case of multiple openings, we also organize Special Job Drives for a Corporate wherein we invite only one Corporate & help them fill their requirements.
