AMP Zakat Fund Report 2018

581 Deserving & Underprivileged Lives touched by AMP Zakat Fund

Zakat, with its innumerable aspects, is a bond between members of society, one wherein collective harmony is dependent on individual harmony. For *zakat* clearly creates a virtuous setting that eliminates various social problems by establishing a harmonious atmosphere for both the rich and the poor. In a nutshell, *zakat* foresees, reduces, or eliminates social conflicts, strengthens the growth of the middle class, and removes all of the greatest social diseases pertaining to financial issues, especially interest and money-hoarding.

A centrally organized *Zakat Management System* can play a big role in such scenario, where the disparity of wealth between poor and affluent class is at its peak. *Zakat* is a *tool*, which gives the Government in Muslim Countries an authority to take the money from the rich and spend it on the welfare of the poor. In the Indian context, where there is no government authority to collect and distribute *Zakat*, the responsibility of collecting and distributing it, becomes responsibility of accountable *Muslim Organizations*.

AMP Zakat Fund (AZF), was started six years ago with a focus of utilizing it for **Education** and **Self-employment** of underprivileged Muslims. Alhamdulillah! It has grown multi-fold from a collection of merely Rs. 2 lakhs in 2013 to more than Rs. 69,62,803 from 820 Donors in the year 2018. One of the main objective of AMP Zakat Fund is to help make the *Zakat Seekers* of today become the *Zakat Givers* of tomorrow.

It gives us immense pleasure to announce that AMP has completed the distribution of its *Zakat Fund* collected for the year 2018.
