About **AMP**

Association of Muslim Professionals (AMP) is a Platform for all Muslim professionals and volunteers to share their knowledge, intellect, experience and skills for the overall development of not just the Muslim Community but also the society at large, and further empowering Muslims in the educational, social, political and economic front of their lives.

AMP has pioneered in effective use of technology to roll out and scale projects like conducting Skill Development lectures (SDL), Employability Training Programs (E T P), Job Fairs and Entrepreneurship programs for underprivileged sections of the society.

Association of Muslim Professionals (AMP) is a registered society under Societies Registration Act 1860, Maharashtra, Mumbai (Reg. No. 2011 G. B. B. S. D 3001). It is an intellectual organization spread out at a national level having more than 100+ active Chapters across India, in 19 Indian States and chapters in UAE, Kuwait, Qatar, Oman, Saudi Arabia, USA, UK, Singapore & Malaysia.

We have recently been registered as a Non-Profit organisation in USA & are expecting the same to happen in a few other countries soon.

AMP – The Journey of 12 years!

Association of Muslim Professionals (AMP) has recently completed 12 years of inspiring young minds and uplifting the underprivileged sections of the society. Today, we can state with satisfaction that the efforts we have made over the past few years have yielded positive results. It has been more than a decade of creating revolution in the fields of Education and Economic Empowerment, of creating milestones and achievements, of achieving happiness and satisfaction thru our untiring efforts, Alhamdulillah!

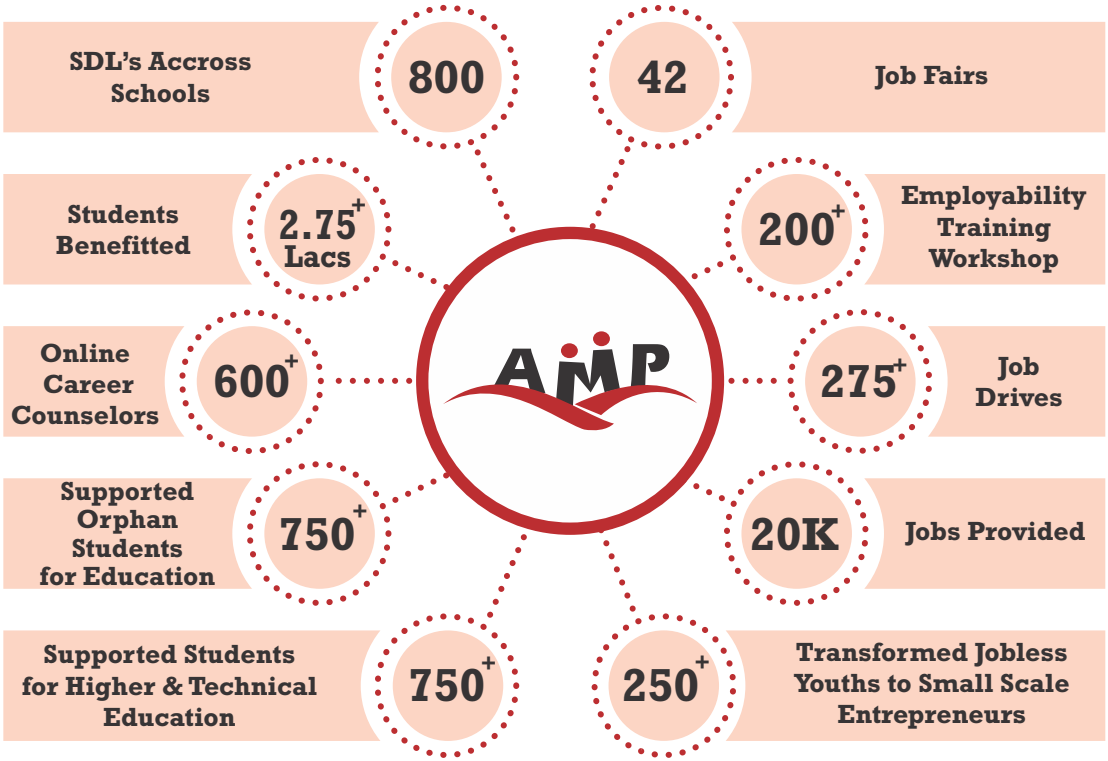

Since last 12 years AMP has been rendering its humble services towards the Community in the form of various projects such as Skills Development Lectures (SDLs), Job Fairs & Job Drives, Employment Training Programs (ETPs), Job-oriented Skill Training Programs, Career Fests, Zakat Fund, Scholarships, Mentorship Programs, Welfare Activities, Personal & Professional Development etc. We have come a long way from a group of few unknown people to one of the finest National Organizations of Educated Muslim Youth in India. In the last 12 years, AMP has significantly grown by leaps and bounds. A very humble start in 2007 has reached to more than 100 Cities and 19 States of India and this itself is a testimony of the progress that we have made so far.

This also reflects the eagerness of our professional brethren to serve the community, and the ingrained spirit for community work is the prime reason for our progress. It has been our privilege to have you with us as a contributing and active member of AMP for all these years. It is only because of continuous efforts and Duas of all its Members, Volunteers and Supporters that AMP has completed 12 years of existence. Our various stake holders are the most integral part of AMP.

Growth & **Challenges**

As the scale of projects increase so does our reach due to which our expenses have increased manifold. It is extremely difficult to manage these activities with the limited contributions of some of our committed members and some good-hearted Samaritans in the society.

To take similar initiatives and conduct more such activities in the future across India AMP needs help from Samaritans like yourself to meet its day to day expenses which came close to 4 lakhs per month in 2019. With a robust plan coming into effect in 2020 these expenses are bound to increase. To meet our estimated expenses of Year 2020, we will need at least 60+ Lakh Rupees. (Please check our 2020 Estimated Expenses)

We are exploring various options for self-sustenance to reduce our dependability on outside finances. In this situation, we look forward for support from our Members who have always been with AMP in thick and thin. In a meeting of some of the concerned members in the last AMP National Convention, it was decided to appeal to our Core Members to donate Rs. 2000/- as a New Year Gift to AMP, for covering its operational expenses.

We look forward to 3000 such Members (AMP Angels) from our Core Team, who will contribute Rs. 2000/- or more. This amount will be sufficient In sha Allah to meet the basic office needs of AMP and continue AMP projects and activities in the year 2020.

This collective amount can help AMP meet its monthly recurring cost of Office/Administration, conduct more Skill Development Lectures (SDLs), be able to place more Unemployed Youths each month by having dedicated resources and in turn concentrate more on the goals at hand i.e. Education and Economic Empowerment of Muslim Youths.

In Sha Allah!

The Prophet (SAW) said, "If anyone fulfils his brother's needs, Allah will fulfil his needs; if one relieves a Muslim of his troubles, Allah will relieve his troubles on the Day of Resurrection."

- Sahih Bukhari and Muslim
