It has been more than a decade of creating a revolution in the field of Education and Economic Empowerment. AMP is now one of the biggest volunteer driven NGO networks comprising of professionals and social leaders from across the country.

In last 12 years AMP has significantly grown by leaps and bounds with over 100 active chapters all over India and Abroad, a testimony of the progress AMP has made so far since 2007. This reflects the eagerness of our members, volunteers and associates, to serve the community and the country purely with the passion to make a difference to the lives of the underprivileged. AMP is now organizing its 3rd All India National Convention inviting visionaries and achievers to co-create and motivate AMP members to take the next BIG leap for AMP 2.0. A forum for members to brainstorm and share their experiences with fellow members on projects which can impact lives of underprivileged sections of the society.

Zakat is one of the 5 pillars of Islam and one of the most defining characteristic. 7:00 pm - 8:00 pm **Challenges before Indian Constitution - Role of Muslims**
Today, more than ever before in the history of Independent India, our Constitution is under threat from a Government who wants to usurp its Secular nature for a Saffron colour. Increasingly the current ruling dispensation has undermined the various institutions that keep the secular fabric of the Country healthy and has instead tried to polarize the masses for Political gains.
