About AMP

Association of Muslim Professionals (AMP) has been working for more than 15 years now, in the domains of Education, Employment Assistance & Economic Empowerment for the Community and the Nation.

With the intention of increasing the Students' General Awareness and Competitive Spirit, AMP launched a National Level Competition, the **AMP National Talent Search (NTS)** in November 2020.

In the last 3 years, over **1.5 lakh+ students** from **600+ districts** across India participated making it one of its kind of talent search competition. This year, we anticipate **1 lakh+ Students** from **650+ Districts** across India to participate, making it the biggest competition in the Country.

We now take immense joy and pride in announcing the 4th edition of the **AMP National Talent Search (NTS) 2023**, a national competition for School & College Students, to be held tentatively on **25th November 2023** in the following 3 categories;

- School Students (**VIII, IX & X Standard**)
- Junior College Students (**XI & XII Standard**)
- Senior/Degree College Students (**Undergraduates**)

Objectives of the Competition

The primary objectives of conducting the competition are

- To expose students to competitive examinations prepared by eminent Academicians
- To prepare students for various competitive exams, like the JEE, NEET, CAT, UPSC, CUET, etc.
- To make students aware of their strengths and weaknesses
- To awaken their competitive spirit
- To test their General Knowledge and Competition readiness
- To get recognition Nationally among Universities, Colleges, schools, and other institutions
- To provide parents and teachers a benchmark to work with
- To help the participating students with AMP programs, and
- To recognize and reward talent with Prize Money and E-Certificates

EXAM MODE

Since last 3 years, this exam was conducted Online with the help of **AMP World Mobile App**. This year, AMP has decided to conduct this **AMP NTS 2023** offline (Physical) as well across India. The Online Exam Facility will be available as it is on our **AMPWorld Mobile App**.

Thus, the **AMP NTS 2023** this year will be a dual format, allowing the candidates to choose between online and offline participation.

- Both the exams will be conducted on the same date and time across India.
- The competition will be for a duration of 90 mins.
- The paper will consist of one hundred (100) multiple-choice questions (MCQs).
- The marking will be based on the number of correct answers; no penalty will be imposed for incorrect answers.

Offline (Physical) Mode

- Those candidates who opt for the offline mode will get all the benefits and rewards of AMP NTS 2023 (Mentioned below)
- Offline Candidates will also be considered for the ranking process
- Exam will be conducted at our 300+ Centers in different city/district across India
- Candidate has to select Centre as per their preferred location

Online Mode

- The Online Participant will not get any Scholarship or Reward, they will be awarded only a Participation Certificate
- They will get all other benefits offered by AMP
- For availing the benefits of AMP NTS 2023, they have to appear for the written physical test by AMP or by our partners in future
- The competition will be conducted online using the AMP World App
