Aamir Idrisi

Founder President

Aamir Idrisi is a Software Engineer by Qualification, a Businessman by Profession and a Social Activist by Passion. He is a 'Man with a Mission', to evolve the Indian Muslim community into an Intellectually Progressive, Socially Dynamic and Economically Potent group of conscientious individuals who significantly contribute to the development of the Nation. He is a person of many traits, who as the President and Founder of AMP has quite ably led AMP from its inception to its present status of being a vibrant Pan-India Organization of dynamic individuals.

He is enthusiastic and an ambitious thinker who is able to devise radical strategies for the development of the community. He is also quite erudite in the matters of public administration and political governance.

He strongly believes in this quote by John Quincy Adams **"If your actions inspire others to dream more, learn more, do more and become more, you are a leader!"**-
