

ANNUAL REPORT

2025

Transforming Lives through Education,
Economy & Empowerment

WELCOME TO OUR ANNUAL REPORT!

Dear AMP Team, Volunteers, Associates & Supporters, 2025 has been a year of tremendous growth and impact for us, Alhamdulillah!. With our deep-rooted commitment to Education & Empowerment, our State & Chapter Teams, Volunteers, Partners, and Supporters have worked tirelessly to reach out and impact the underprivileged. The AMP family has grown stronger, and our vision has taken shape in new, exciting ways this year.

What unfolded in 2025 was not incremental progress – it was momentum. Momentum driven by faith, professionalism, grassroots leadership, and institutional collaboration.

2025 was not just impactful. It was:

- Massive
- Incredible
- Historic

PRESIDENT'S MESSAGE

As we look back at the year 2025, we do so with deep gratitude to Allah (SWT) and a strong sense of responsibility toward the mission entrusted to us. The year marked a significant phase in AMP's journey, not merely in terms of the scale of activities, but in the maturity, structure, and clarity with which the organisation moved forward. By the collective efforts of our volunteers, partners, and supporters, AMP was able to expand both its reach and its responsibility across India.

During the year, AMP successfully conducted the National Talent Search, connecting with lakhs of students and thousands of institutions nationwide. Our education support initiatives, including structured Zakat assistance, continued to enable deserving students to pursue their studies with dignity. We strengthened employment and career development programs for youth and professionals, expanded institution-building efforts with grassroots organisations, and launched a long-term 25-Year Roadmap to guide educational and economic empowerment at scale. These initiatives reflect AMP's commitment to professionalism, transparency, collaboration, and sustainable impact. The organisation today is guided not by isolated events, but by systems, leadership, and long-term vision.

As we enter 2026, our focus is on scaling impact with discipline, strengthening leadership at all levels, and building institutions that endure beyond individuals. We remain committed to preparing future-ready youth who are rooted in values, service, and responsibility. I express my sincere gratitude to all those who placed their trust in AMP and contributed to its mission during the year. May Allah (SWT) accept these efforts, grant sincerity in our intentions, and enable us to continue serving the Ummah with wisdom, unity, and steadfastness.

***The road ahead is demanding.
But the direction is clear.***

***When intention is sincere,
When effort is collective,***

***And when leadership is responsible,
Allah opens the way.***

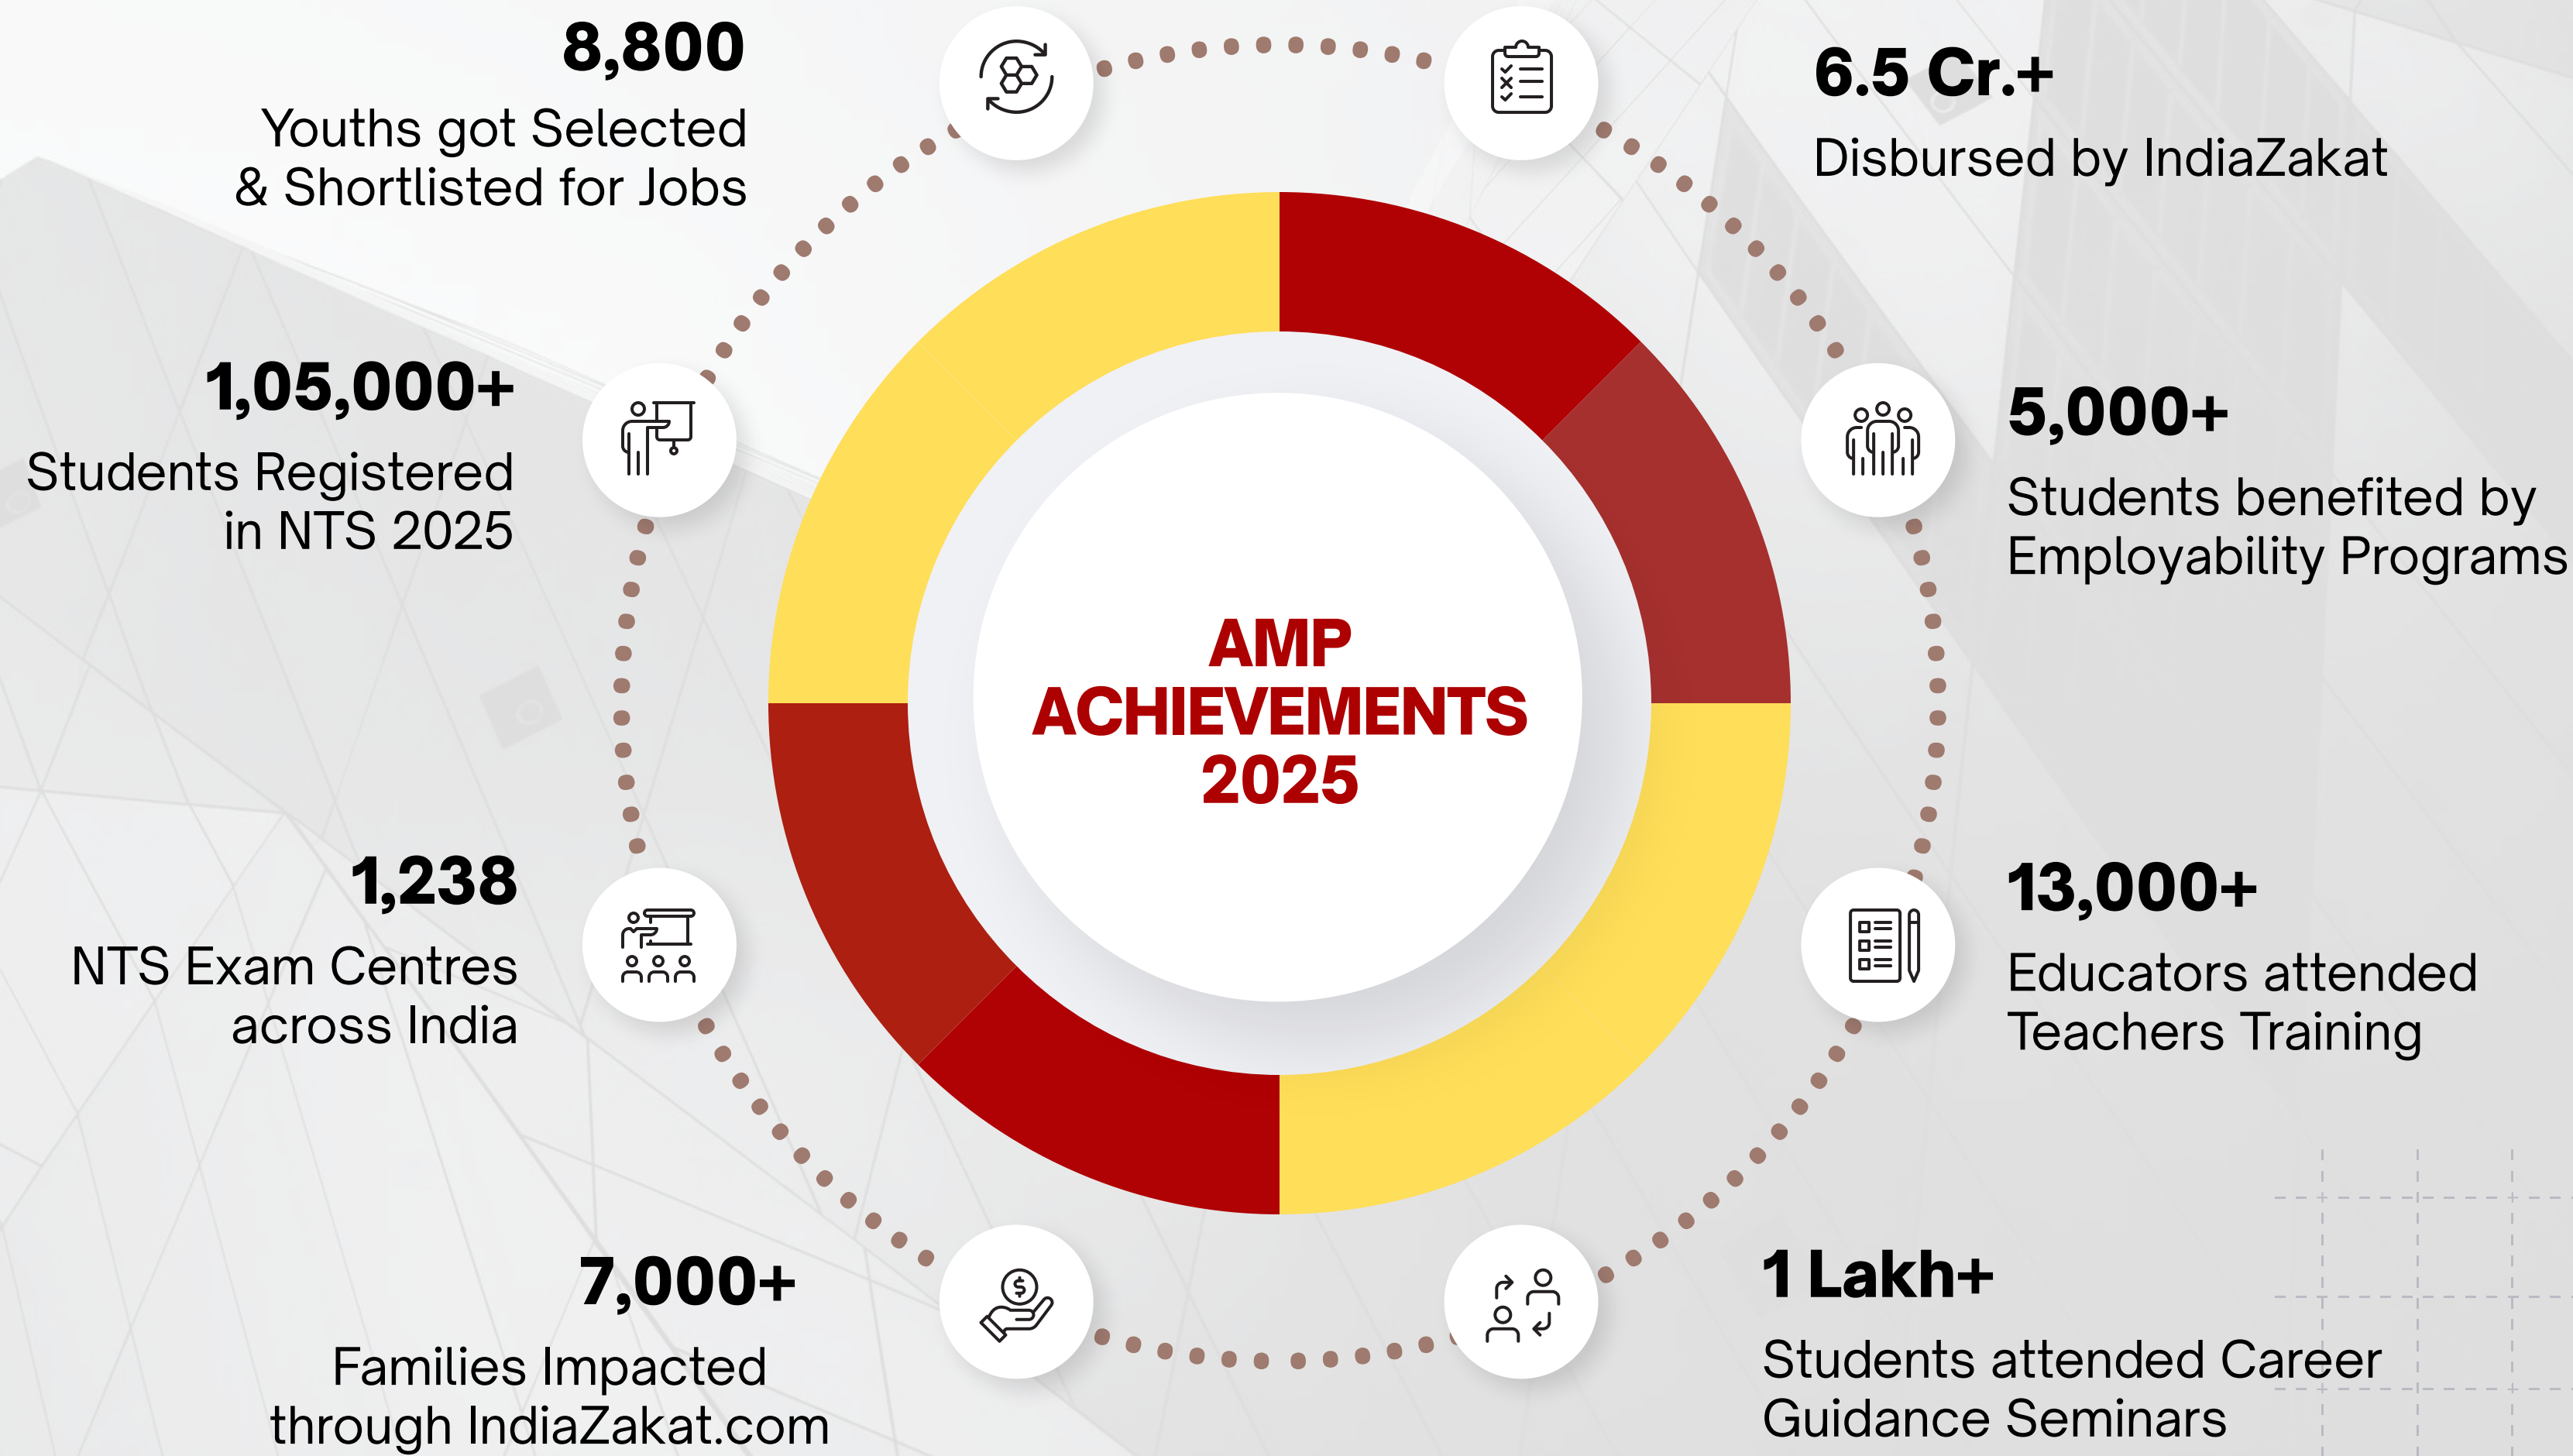

***Thank you for your trust.
Thank you for your commitment.***

Together, In sha Allah, we will continue to transform youth, shape leaders, and strengthen the nation.

***The journey has begun.
The mission continues.***

**Aamir Edresy
President, AMP**
