“Centralized Zakat System To Change Condition of Muslims”
AMP, realizing its duty towards Community Welfare, the potential of a properly organized Zakat disbursement, and also how Zakat can be effectively utilized to bring out the Community from the throes of misery, had established the AMP Zakat Fund in 2013 to empower the lives of the poor and needy by promoting -

Education & Self-Employment.
Education

We feel that we need to focus on Higher Education so that talented and able individuals from the community can gain the skills and qualifications required to grab contemporary opportunities and walk at pace with the fast-evolving world.
Self-Employment

There are certain individuals who cannot pursue their academic aspirations because they have to financially support their families from a very young age. For such individuals, we need to offer a window of opportunity by helping them financially for Self Employment to better their means of livelihood and encourage them to establish micro-enterprises.

We hope that you will wholeheartedly support us in this blessed cause - where the rewards for a single good deed are multiplied several-fold.

Allah (SWT) has given us many opportunities to earn rewards during *Ramdhan* by doing virtuous and benevolent deeds; and the best way to do this is to help the needy and the less fortunate by means of *Zakat* and *Sadaqah*. 
Therefore, we humbly request you to participate in this noble cause and contribute generously to the ‘Zakat Fund’.

We assure you that we have very strict procedures to ensure that the money is utilized very judiciously and that it is distributed strictly as per the mandates of the Shariah.
AMP requests you to support this noble cause of
