## From the President's Desk...

**Assalamualaikum.**

I am filled with immense pride and happiness as I share the inaugural issue of AMP Newsletter. Alhamdulillah, we have been sharing our hard work and achievements every month in the form of a Monthly Report regularly since last 8 years. By the grace of Allah SWT and tufail of His beloved Prophet SAW, we have achieved an incredible journey of close to 17 years. We have reached out to 200+ cities in 26 states of India and positively impacted more than 100,000 lives since then.

In the month of September, we celebrated the AMP National Award for Excellence in Education (NAEE) 2024 in Bhopal, MP. It was a heartwarming occasion where the AMP MP Team & NCT Team collaborated together to recognize the remarkable contributions of teachers and institutions dedicated to improving education within our community. Their efforts inspire us all to strive for excellence and foster a culture of learning.

As we continue our mission, organization building remains a top priority. Strengthening our structures and processes will enhance our ability to serve our community effectively. Similarly, a strong city chapter and a local unit are vital for making a meaningful difference. Each chapter plays a crucial role in addressing the unique needs of the local community.

In line with our commitment to excellence, we must also focus on

general management practices that promote efficiency and transparency. Looking ahead, I am excited about the forthcoming AMP National Talent Search (NTS) 2024. Through NTS, we have to identify and nurture talent across the Country, and ensure that we make the last-mile connection to those who need it most in the semi urban and rural areas. We have set a target of 1000+ exam centres in as many blocks of 400+ minority dominated districts. Your involvement in this activity will be invaluable as we work together to uplift our young talents and provide them with solid career opportunities.

Thank you for your unwavering dedication and commitment to our shared vision. Together, we can create impactful initiatives that resonate with the Community. Let us collaborate, share resources, and harness our collective strengths.

**Aamir Edresy, President**

## MAKING A DIFFERENCE IN BARMER VILLAGE: OUR JOURNEY TO PROVIDE WATER WELLS

Syed Deen below  
Barmer Village pic

On June 16, 2024, I came across a poignant image from Barmer village: a group of girls walking miles to fetch water. This scene stirred something within me, prompting thoughts on how we could bring water closer to their homes. The solution? Building a water well!

I shared a heartfelt post on that same day, appealing to generous individuals to contribute to the construction of water wells in Barmer. Alhamdulillah, three families stepped up to donate for this cause.

Mr. Syed Deen, the secretary of our Chennai chapter, volunteered to lead the project, coordinating with the Barmer Chapter Head and the Rajasthan State Head. They welcomed our initiative with open arms.

## A STORY OF HOPE & EMPOWERMENT

### Sanjeeda Khatoon's Journey

we are filled with gratitude and joy as we witness the profound impact of collective efforts in transforming a life. Our sister, Sanjeeda Khatoon from Katihar, Bihar, had been facing immense difficulties, but thanks to Allah's infinite mercy and the unwavering support of the AMP family, her journey towards self-reliance has begun.

Sanjeeda Khatoon was struggling to make ends meet, with no immediate solution in sight. However, through the collaborative efforts of the AMP Katihar Chapter, led by Adv. Ahmar Siddique, and the support of the IZC platform, she received a sewing machine, a tool that will not only help her regain financial independence but also restore her dignity and confidence.

## U.P. FELICITATION CEREMONY FOR NASE AND NAEF AWARDS WINNERS

On a sun-drenched afternoon in Lucknow, the air buzzed with excitement as the AMP Uttar Pradesh Chapter prepared for a momentous occasion. The venue was elegantly decorated with banners celebrating social excellence and education. It

was 22nd September, 2024, a day designated to honor the remarkable achievements of the UP State winners of the 4th National Awards for Social Excellence (NASE) and the 8th National Awards for Education Excellence (NAEE). As

attendees arrived, the atmosphere was electric with anticipation. People from various walks of life gathered to celebrate not just individual achievements but the collective impact these remarkable individuals and organizations

## ... REMARKABLE

On a remarkable journey, Mr. Syed Deen traveled 4,500 kilometers from Chennai to Barmer to meet with local leaders and assess the needs for the water wells. Thanks to his efforts, construction began on two wells about 45 days ago under the AMP banner.

This success has inspired us to aim even higher: we hope to build 50 to 100 more water wells across Barmer and other regions in Rajasthan. We invite more people to join us in this Sadaqah Jariyah project to provide essential water facilities throughout the state.

Our project will continue under the guidance of the Rajasthan State Head and the Barmer Chapter Head, InshaAllah.

I want to express my heartfelt gratitude to Mr. Syed Deen for his dedication and effort in bringing this project to fruition. Without his support, coordinating and executing this initiative would have been challenging. A special thanks also goes to Mr. Chand Mohamed and Mr. Mohamed Ali for their invaluable coordination and support.

Let us remember that our goal is to help those in need, regardless of where they come from. All it takes is empathy for the suffering of others and the ambition to make a difference. With Allah's help, we can overcome challenges and bring hope to those who need it most.

## U.P. FELICITATION

had on society. Among the crowd, educators, social workers, and community leaders exchanged stories and smiles, united by a common goal: uplifting their communities.

Dr. Amrita Dass, a revered educationist and career consultant, graced the event as the Chief Guest. With her extensive experience and profound insights, she was a beacon of inspiration for those aspiring to make a difference. Her passion for education was palpable, as she took the stage, her presence commanding yet warm.

"Ladies and gentlemen," she began, her voice resonating through the hall, "we are gathered here to celebrate not just achievements but the spirit of perseverance and dedication that drives change in our society. Each awardee here today exemplifies the unwavering commitment to uplift their communities through education and social work."

Dr. Waliullah Siddiqui, a distinguished gastroenterologist from Apollo Medics Super Speciality Hospitals, served as the Special Guest for the occasion. His presence reinforced the event's significance, bridging the gap between health and education, emphasizing the importance of holistic development in society. He shared anecdotes from his own life, underlining the impact that education had on his journey to success.

"Education is not just about knowledge; it's about

empowerment," Dr. Siddiqui proclaimed. "It equips us with the tools to challenge the status quo, to heal not only our bodies but our communities. Today, we recognize those who have taken it upon themselves to be agents of change."

As the ceremony progressed, Mr. Farooq Siddiqui, Head of the AMP National Coordination Team, took the podium as the Presiding Speaker. His passion for social service resonated deeply with the audience. "These awards are more than just accolades," he stated, his eyes scanning the room filled with eager faces. "They are a reminder that each one of us has the power to bring about change. Let us draw inspiration from these achievers and continue our mission to make a difference."

Mr. Mirza Mobin Beg, an esteemed member of the AMP NCT, followed, expressing heartfelt gratitude to all the supporters and volunteers who made the event possible. His closing remarks encapsulated the essence of the gathering: "Together, we can create a ripple effect of positive change. Let us stand united in our efforts, for every little action counts."

With the speeches completed, it was time for the awards presentation. The mood shifted from anticipation to celebration. Each awardee stepped onto the stage, their faces illuminated with pride as they received their accolades. The applause was thunderous, echoing their hard work and

dedication.

As the ceremony drew to a close, the audience was left with a renewed sense of purpose. The stories shared and the recognition bestowed upon the awardees ignited a fire within each attendee. They departed not just as spectators but as motivated individuals ready to take action within their communities.

## A STORY OF HOPE & EMPOWERMENT

This sewing machine is more than just a piece of equipment—it symbolizes hope, resilience, and the strength that comes from community solidarity. It's a reminder that, even in the darkest moments, Allah's help can come through the hands of those around us.

We are deeply thankful to AMP and IZC for their role in uplifting the lives of the underprivileged, ensuring that no one is left behind. Their constant efforts and dedication to empowering individuals like Sanjeeda reflect the true spirit of brotherhood and service.

Let us continue to work together to support more people in need, knowing that every small act of kindness has the potential to change lives.

JazakaAllah khair to everyone involved in making this possible.

## YOUR PARTICIPATION:

In the last few years, with the invaluable support from our existing Members, Donors and Well-wishers, we have been able to execute many AMP projects & activities. However, we still have many miles to go and in this transcendental journey we need 'YOU' to fuel this movement with the vitality of your ideas, talent, experience and skills. We therefore appeal to you to join hands with us and help us to build a strong and self-sufficient Community & Society.

Also, as a conscious and responsible citizen of the Community you must be well-aware that running such an ambitious Social Enterprise requires decent amount of funds to take care of the administrative and infra structural needs. You can thus further strengthen our endeavours by financially supporting us. You can make your contributions to the below mentioned Bank Account. All donations to AMP attract 80G income-tax benefit.
